

**Margaret A. Jones**  
**Chief, Business Management Division**  
**U.S. Army Corps of Engineers**  
**Transatlantic Division**

Margaret A. Jones, PMP, is currently the Chief, Business Integration Division for the Transatlantic Division. She is responsible for strategic planning, establishing implementing the Regional Business Center processes division-wide.

Ms. Jones began her career with USACE in 1992 at the Alaska District, after leaving the private sector, as a project Engineer and Quality Assurance Representative at the Richardson Resident Office overseeing the construction of

numerous projects throughout Ft. Richardson in remote areas of Alaska. In 1998 Ms. Jones joined the Egypt Area Office as the Resident Engineer for the construction and installation of medical equipment for the \$141M Egyptian Medical Facility.

Ms. Jones then transitioned to the Transatlantic Center in 2000 assisting both the Contract Admin Branch in the evaluation and negotiations of claims for Kuwait, UAE, Bahrain and Saudi Arabia as well as with contracting chairing Source Selection Evaluation Boards for numerous contract awards. Expanding her horizons, she served in Iraq at the Gulf Region Division from August 2004 thru December 2007. During this tenure, she served as the Deputy Director of Business Management, Deputy Director Military Programs and Liaison Office Officer for Reachback under Mr. Steve Stockton.

Returning to the Middle East District in 2008 Ms. Jones oversaw the Military Construction (MILCON), Economic Support Fund (ESF) and Commanders Emergency Response Program (DERP) programs in Iraq before transitioning to the Transatlantic Division in 2009 as the Chief of Programs. In 2009 Ms. Jones joined the Transatlantic Division (TAD) as a program manager. She served as Chief of the Program Integration Division and transitioned to Afghanistan and served as the Deputy Chief of Construction for the Transatlantic South Division. Upon returning to TAD in 2013, Ms. Jones was the Chief of the Program Integration Division. She returned to Afghanistan from 2019 to 2022 and served as the Deputy District Engineer while overseeing the transition from Afghanistan to Kuwait in 2022.

A registered Project Management Professional, Ms. Jones holds a bachelor's degree in mechanical engineering from McNeese State University in Lake Charles, Louisiana. She has received numerous awards including the Department of the Army's Commander's Award for Civilian Service and the DeFluery Medal. Ms. Jones currently resides in Stephens City, Virginia and has four adult children.
