Cell Phone Policy

It is the Organization's hope for the Student Union to be a place of social and engaging interactions for all students who attend. For this reason, once students sign in to the Center, phones will be set to SILENT (no vibrations or flashing lights) and put away in a secure locker at the registration desk.

Students will always have access to their phones if a phone call needs to be made to home, or they may use a business phone which will be located at the registration desk or Executive Director's office. Parents may call the main phone number to ask questions or to connect with their child if needed.

Violations of this policy may result in disciplinary action.

By signing, I acknowledge I have read and understand the Cell Phone policy.
