Dear Patron or Area Business,

Reaching Out Now, Inc. (RON, Inc.) is a nonprofit 501(c)(3) organization serving the youth of Warren County Public Schools. Our mission: *Through leadership and empowerment, we support and encourage under-served school-aged girls (6th through 12th grade), to live victoriously and not defeated; to reach their full potential. We serve by implementing mentoring and support programs and challenge students to rise above life's circumstances to become their best selves.*

RON has several programs that we use to empower the students, teachers, and staff of Warren County public schools such as the *Girl of Destiny Leadership Program, Holiday Cheer and Giving Community Service Project, Educational Round Table Initiative*. Through our organization, students develop communication and financial skills, learn self-awareness and empowerment, are introduced to college and career readiness, and are supported in academic literacy, financial literacy, and other areas of study.

We have many volunteers who are currently serving, and we have appreciated the support of Warren County Public Schools, several area businesses, and area churches. But our efforts to reach these young women won't reach their maximum effectiveness until we have the backing of our entire community.

We are currently seeking to increase our sponsors and donations to help fund our 2019-2020 youth programs. **Would you consider partnering with us to positively support the youth of our community?** Attached is the sponsorship application with several selections of donation levels. Please complete and return to join our partnership of community businesses and organizations.

If you have any additional questions, please do not hesitate to contact us at (540) 692-6691 or email us at support@reachingoutnow.org, and we will be more than pleased to answer your questions. We look forward to hearing from you.

Sincerest appreciation,

Samantha Barber
President/Founder RON
